

NIAGARA

The image features the word "NIAGARA" in a bold, white, sans-serif font. The letters are thick and blocky. A large, black, ink-like splatter or spray effect is applied over the text, particularly concentrated on the 'A's and 'R'. The splatter consists of various black shapes, including dots, streaks, and larger blotches, creating a sense of movement and texture. The background is solid black, which makes the white text and splatter stand out prominently.
